WEBSTER FELLOWSHIP PROGRAMME IN THE HUMANITIES

Queen's University invites applications from scholars who have recently completed or are about to complete doctoral studies (or some professional equivalent) in the humanities, broadly conceived. Candidates with new perspectives, who can place specialized enquiry within a larger intellectual or cultural context, are especially encouraged to apply. Fellowships are tenable for two years with a stipend of \$35,000 for the first year and an expense allowance of \$2,000. While most of their time is devoted to research, fellows are normally expected to teach one full course in their area of expertise. Applicants should send curriculum vitae and an essay, not exceeding 1,000 words, outlining their proposed research to Dr. Wm. D. McGready, Acting Dean, Faculty of Arts and Science, Queen's University, Kingston, Ontario K7L 3N6. Three referees should be asked to send supporting letters directly to the same address. The deadline for completed applications is January 15, 1989. Les francophones, ainsi que les anglophones, sont invité(e)s à poser leur candidature. Candidates of either sex are equally encouraged to apply.
